

Application No. 10/806,571
Docket No. 96418.74 (formerly 8020702767 - 6175-065)
Response to Office Action dated April 28, 2009

Remarks

Applicants gratefully acknowledge the allowance of claims 20-22. Claims 1-19 are currently pending. Claims 1-6 and 9-19 have been amended. The amendments to claims 2-6, 9-17 and 19 were made to improve the readability of the claims.

In response to the Examiner's "Response to Arguments" on pages 13-14 of the Office Action, Applicants hereby amends independent claims 1 and 18 to include a limitation from allowed independent claim 20, namely the ability of independently adjusting the visibility characteristic of a single face. For that reason, Applicants respectfully submit that independent claims 1 and 18 are in a condition of allowance.

Claims 2-17 depend on and include all of the limitations of independent claim 1. As a result, claims 2-17 are also in a condition of allowance. Claim 19 depends on and includes all of the limitations of independent claim 18. As a result, claim 19 is also in a condition of allowance.

CONCLUSION

In view of the above, each of presently pending claims 1-19 in this application is believed to be in a condition for allowance.
